Address:	
	Amrita Aromatherapy, Inc.®
Dhono:	1900 W. Stone Ave., Suite C Fairfield, IA 52556
	1(800)410-9651 or 1(641)472-9136
Fax:	1(641)472-8672
Emergency Contact:	Poison Control: 1(800)222-1222
2. Hazard(s) Identification	
Appearance:	Liquid
Signal Word:	Danger
Statement of Hazard:	H304 May be fatal if swallowed and enters airways H315 Causes skin irritation H317 May cause an allergic skin reaction H411 Toxic to aquatic life with long lasting effects
Precautionary Statements:	P261 Avoid breathing dust/fume/gas/mist/vapors/spray. P264 Wash hands thoroughly after handling. P272 Contaminated work clothing should not be allowed of the workplace. P280 Wear protective gloves/protective clothing/eye protection/face protection. P301+P310+P331 IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. P302+P352 IF ON SKIN: Wash with soap and water P333+P313 If skin irritation or a rash occurs: Get medical advice/attention. P362 Take off contaminated clothing and wash before reuse. P363 Wash contaminated clothing before reuse. P405 Store locked up P501 Dispose of contents/container with observance of local/regional/national/international policies
Aspiration Toxicity:	Category 1
Skin Irritation:	Category 2
Skin Sensitization:	Category 1
Acute Aquatic Toxicity:	Category 2
Chronic Aquatic Toxicity:	Category 2
Flammable Liquids:	Category 3

3. Composition / Information on Ing		'acamtial Oil			
Ingredients List: 100% Organic German Blue	cnamomile E		Wais-b4 0/	Cleasification	DEACH
Component		CAS Number	Weight %	Classification 1272 / 2008	REACH Number
Trans Beta Farnesene		18794-84-8	<=41%	AspT1, SI2, SS1	242-582-0
Alpha Bisabolol Oxide B		n/a	<=11%	n/a	n/a
Alpha Bisabolol		72691-24-8	<=9%	SS1B, AC2	276-310-7
Alpha Bisabolol Oxide A		n/a	<=5%	n/a	n/a
Allo Aromadendrene		n/a	<=5%	n/a	n/a
Alpha Muurolene		10208-80-7	<=4%	n/a	n/a
Chamazulene		529-05-5	<=3%	n/a	208-449-6
Trans Beta Ocimene		3779-61-1	<=2%	FL3, ATox4, AspT1, SI2, EI2	237-641-2
Gamma Terpinene		99-85-4	<=1%	FL3, AspT1	202-794-6
(Sec	e Section 8 for	r Exposure Limit	's)		
4. First Aid Measures					
General Advice:	Seek medical attention in case of any discomfort. Observe risk of aspiration if vomiting occurs. May cause lung damage if swallowed.				of aspiration
Eye Contact:	Remove contact lenses. Flush repeatedly with water for 15 minutes; contact physician				
Skin Contact:	Remove contaminated clothing, wash with water and soap. Contact physician if redness or irritation develop.				
Ingestion:	Do NOT induce vomiting. Rinse out mouth. Do NOT give water or milk unless directed by medical professional. Contact POISON CENTER or doctor immediately.				
Inhalation:	Remove to fresh air and contact a physician if symptoms such as wheezing, coughing, shortness of breath, or burning in the mouth, throat, or chest occur.				
5. Fire Fighting Measures					
Extinguishing Media:	SUITABLE: F	oam, Dry chemic	al, Carbon Di	oxide, B class Exti	nguishers
	1		-	*	-

	"Naturally the Purest"		
	NON-SUITABLE: Water Jet		
Hazardous Combustion Products:	Carbon Dioxide and Carbon Monoxide		
Fire Fighting Procedures:	When possible, prevent environmental run-off. Use self-contained breathing apparatus and protective clothing.		
Fire / Explosion Hazards:	Carbon monoxide, carbon dioxide, acrid fumes, smoke, or flammable vapor may be released during oil fires. Flammable liquid and vapor. Vapors are heavier than air and may travel along surfaces to remote ignition sources and flash back.		
6. Accidental Release Measures			
Health and Safety Precautions:	Personnel involved in cleanup should wear appropriate personal protective equipment (see Section 8). Minimize exposure. Eliminate all sources of ignition and ventilate area using explosion-proof equipment.		
Measures for Cleaning and Collecting:	Absorb spill with non-combustible matter (such as detergentdo not use solvents) and transfer to containers. Clean spill area thoroughly.		
Measures for Environmental Protections:	Do NOT allow to enter the sewer or outdoor environment. Place waste in an appropriately labeled, sealed container for disposal. Care should be taken to avoid environmental release.		
Additional Considerations for Large Spills:	Contain and control the leaks or spills with non-combustible absorbent materials such as sand, earth, vermiculite, or diatomaceous earth in drums for waste disposal. Avoid allowing product to reach sewage system or any waterways. Inform respective authorities in case of seepage into sewage system or waterways.		
7. Handling and Storage			
General Handling:	Avoid contact with eyes, skin, mucous and clothing. Wear required PPE. Observe good hygiene guidelines and general safety practices. Do NOT eat, drink, or smoke when handling. Ensure workspace is properly ventilated. Wash hands after handling.		
Storage Conditions:	Store in tightly sealed glass container, away from heat, light, and other sources of ignition; in a well-ventilated, dry and cool location. Keep away from strong oxidizing agents.		
8. Exposure Controls / Personal Pro	tection		
Exposure Limit:	This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region-specific regulatory bodies.		
Engineering Controls:	Extraction or global ventilation. Equipment should be grounded. Provide eyewash station.		
Environmental Exposure Controls:	Avoid discharging into sewer or environment. Do NOT eat, drink, or smoke near or after handling product.		
Personal Protective Equipment (PPE):	Work clothing worn by personnel shall be laundered regularly. After contact with the product, all parts of the body that have been soiled must be washed		
Hands:	Wear suitable protective gloves (resistant to chemical agents in accordance with standard EN374) in the event of prolonged or repeated skin contact.		
Eyes:	Avoid contact with eyes. Use eye protectors (safety goggles in accordance with standard EN166) designed to protect against liquid splashes.		
Skin:	Use protective clothing as necessary, such as a lab coat.		
Respiratory Protection:	Assure a well-ventilated work area – Use general face covering
